

Table Tennis New Zealand Inc

New Zealand Table Tennis Representatives

This has been prepared starting from a list of visiting overseas touring teams and expanded from information in the association's annual reports to include New Zealand players "representing" NZ table tennis, overseas or in NZ and whether or not they were in official teams. Includes known tours & visits organized by District Associations. The national body acknowledges and reports on "NZ representation" and therefore such info needs to be listed.

(E & OE)
