Dear Garry,

Many thanks for your letter giving me all the details of the New Zealand and Australian championships. I was quite interested to read that the arrangements for the Australian did not come up to your expectations. Australia used to have their tournament run in great style, though it is quite a long time since I have been in Australia.

Congratulations on winning the New Zealand doubles, let's hope you will win the Singles next year.

I am sending you by separate post 2 light table tennis bats made of 3 ply. I personally reckon that the 3 ply is always better than the 4 ply. The rubber on them is of an improved type - let me know what you think of it.

The season is just beginning here, unfortunately it seems that we will not have any European Championships as the one which should have been held in London had to be cancelled because no visas could be obtained for the East Germans. This is a NATO regulation which cripples a lot of sports.

I expect to go to the Far East sometime in January, I had hoped I would be able to go to Australia and New Zealand as well, but it did not materialise - maybe it will another time.

Let me have your news when you have the time, in the meantime all the very best,

Yours as ever,

Dear Garry,

It was nice hearing from you and as requested
I have sent you to-day by sea mail the 2 table tennis bats.

For your information we are not making them in
4 ply because, I believe; and it is proved, that the 3 equal plies
are the best for table tennis.

However, I have asked the factory to make two
specially for you.

If at any time there is anything I can do please
let me know.

The World Championships in Prague will be a big
affair. 51 Nations are entered, a new record and I am sure it
will be a most interesting tournament.

I will be going myself although, of course, just
as a spectator.

Let me have your news from time to time.

With kindest regards,

Yours sincerely,

(Victor Barna)
